An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of an amendment to the Code of Fair Competition for the Cotton Garment Industry, an opportunity to be heard having been duly afforded all members of said Industry and the annexed report on said amendment, containing findings with respect thereto, have been made and directed to the President:

HUGH S. JOHNSON,
Administrator for Industrial Recovery.

Approval recommended:

SOL A. ROSENBLATT,
Division Administrator.

WASHINGTON, D.C.,
August 21, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,

The White House.

SIR: The Code Authority for the Cotton Garment Industry submitted on May 4, 1934, a proposed amendment to the Code of Fair Competition for the Cotton Garment Industry. The amendment when submitted was presented to the Legal Division of the National Recovery Administration and received its approval.

As the amendment was short and simple and consistent with the policies of the Administration, a Public Hearing was considered not necessary and in lieu of the Public Hearing, Notices of Opportunity to be Heard were printed and distributed in the same manner as the Notice of Public Hearing. A specified date was set forth in such notice by which time objections and criticisms were to be received relative to the amendment. Up to and including the dates specified in such notice, no objections or criticisms were received.

In its final form the amendment received the approval of the Industrial Advisory Board, the Labor Advisory Board, the Legal Division and the report of the Consumers' Advisory Board and Research and Planning Division of the National Recovery Administration. The amendment provides that the Code Authority may incorporate and be known as the Cotton Garment Code Authority, Incorporated.

The Deputy Administrator in his final report to me on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendments on behalf of the industry as a whole.

(d) The amendments and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendments and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendments.

For these reasons, these amendments have been approved.

Respectfully,

HUGH S. JOHNSON,
Administrator.

AUGUST 21, 1934.
